

Recycling Details for Penn Township

Hours of Operation: Dawn to Dusk 7 days a week

- This is a service provided to Penn Township and our neighbors without facilities.
- Second Saturday recyclers will still be assisted by Boy Scouts of America Troop 419 for those who prefer a little help.
- Bins will remain onsite 7 days a week. Shown below, the setup and a brief description of what material will go in indicated sections. (further details for each bin on reverse)
- Residents have the freedom to use site at their leisure, unless the site is abused. Misuse of bins will result in bins being locked and accessibility limited.
- Penn Township has one of the best reputations at LCRMS (Lycoming County Resource Management Services) for sending high-quality loads. A pat on the back for our residents! Let's keep up the good work!
- Lighting and security cameras are used to monitor the site and violators will be prosecuted.

Some of the Basic Rules to Recycle by:

- All materials must be clean and dry.
- Food waste in or on any recyclable material is a contaminant and **NOT** accepted.
- Any chemical, oil and antifreeze containers are contaminants and **NOT** accepted.
- **No string, NO tape or NO plastic bags** allowed. (bags only accepted holding shredded paper)
- All containers used to bring your materials must go home with you.
- **NO lids** on any glass material. (put these metal lids with steel cans)
- **YES** to lids on any #1 and #2 plastic bottles or jugs, compress container and put lid back on. Loose lids are a problem when trying to bundle plastics.
- Lids from tin cans are **OK** and should be included in the tin bi-metal, steel bin.
- Labels are **OK** on all plastics, glass and tin cans.
- Wasted space, always an issue, it doesn't take much to flatten plastics and cardboard.
- Returning the lid will help keep plastics compacted.
- Our setup will allow for bins to be emptied **only** when full.
- **All** boxes whether corrugated cardboard or chipboard (cereal type) boxes must be broken down.

If you have a specific question about recycling please call the township office at (570) 374-4778 or e-mail Brenda at bpenntownship@yahoo.com . See the township website www.penn-township.net for a detailed list of what to do with 'Hard to Recycle Items'.

What to do with:

Rechargeable Batteries – Lowes, Best Buy, Coles and Staples.

CFL's – Lowes Home Improvement Center does have a bin for these bulbs. Bulbs should be in a plastic bag! Also, all Friedman Electric stores, - local address - 1000 N. High Street, Selingsrove.

Medical Waste: Household medical waste including needles can be placed in a secure container with the lid taped and disposed of in the trash. Never flush medical waste.

Plastic Shopping Bags: Most grocery stores collect these bags. Other plastics allowed with the shopping bags: wrappers from toilet tissue, paper towels, clean bread bags, dry cleaning bags etc.

Pizza Boxes: **No Dirty Boxes** consider this – why not take the lid off and recycle if it's clean? 1/2 a pizza box recycled is better than no pizza box recycled!

THE SETUP OF THE PENN TOWNSHIP RECYCLING BINS AND ACCEPTABLE MATERIALS

Front of Penn Township Recycling Site

Updated December 2016

Bin Detail for Recycling in Penn Township

Bin #1 – Glass - This bin is divided into **THREE** sections and all glass will be collected here.

1. Brown Glass: bottles and jars only, **NO dishes...means NO dishes, NO Plates, NO coffee cups etc.**
 2. Green and Blue Glass: bottle and jars only, **NO dishes...means NO dishes, NO Plates, NO coffee cups etc.**
 3. Clear Glass: bottles and jars only, **NO Window Glass, NO dishes...means NO dishes, NO Plates, NO coffee cups etc.**
- * NO lids on any glass bottles or jars! * All metal lids go in the tin/steel bin. * Labels are OK on all glass!

Bin #2 – Steel Cans -This bin has **THREE** sections all the same.

1. Tin and Bimetal Cans – clean and dry, lids and labels OK
2. Tin and Bimetal Cans – clean and dry, lids and labels OK
3. Tin and Bimetal Cans – clean and dry, lids and labels OK

Bin #3 –This bin has **TWO** divisions.

1. Magazines and Catalogs – are made of a higher grade paper than junk mail and flyers and are typically **NOT** glued. **NO glued material in this bin!** Any and all glued bindings go in Bin #4. The glossies from your newspaper can also go in this Magazine and Catalogs bin.
2. Newsprint – clean, dry, no string, no tape, no plastic bags. If you separate the glossies from your newspaper these can go with the magazines in the other end of this bin.

Bin #4 – Corrugated Cardboard, Chipboard, Junk Mail, Books, Phonebooks, High Grade Office and Shredded Paper.

Rules to remember for Bin #4 – Materials can be mixed but must be Clean, Dry and No Food Residue

Chipboard - preferred term by LCRMS, a.k.a. pasteboard, includes beer and soda cases, cereal boxes and any similar dry food packaging, packaging from computer software/games, paper towel and toilet paper rolls, nearly everything purchased has some amount of chipboard. Also, paper used for packaging and shipping and frozen dinner boxes.

Junk Mail – nearly anything arriving in your mailbox, all envelopes and enclosures, political ads and flyers. Window envelopes **OK**.

One exception – NO BUBBLE MAILERS (Bubble material contaminate to this bin)

Books - any and all books with glued binding - whether soft or hard cover.

Phonebooks - bindings are glued and therefore belong in this Bin #4 w/ items above.

Shredded Paper – Any paper you shred belongs in Bin #4 and should be bagged or boxed to prevent litter during transport. (bags can be paper or plastic)

Any Office Paper – office paper bagged or loose add to Bin 4.

Bin #5 - #1 and #2 Plastics – bottles and jugs **ONLY!**

Clean, dry, and lids are **OK!** Compress and replace lid if possible to save valuable space.

Please comply with the plastic no list attached to this bin.

Bin #6 – Aluminum – not actually a bin, but a chain link fenced area.

Any and all aluminum will still be collected by Boy Scout Troop 419.

FYI – Sunbury Transfer Station, 462 South 4th Street (south end of 4th St on Fawn Lane), Sunbury

570-286-9925 hours M-W-F 7:30 – 3 Sat 7 – 3
