

Prepared by the Union County GIS Department:
 The parcel maps shown here are for illustration purposes only and are not suitable for site specific decision making. The parcels depicted by these maps are approximate and are not necessarily accurate to surveying or engineering standards. All other mapping data such as roads and streams meets National Map accuracy standards for 1" to 200' scale mapping.

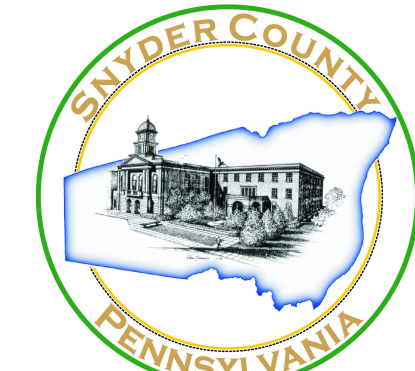

All parcel information shown on this map is the responsibility of the Snyder County Assessment Office and questions regarding said information should be directed to the Assessment Office. If you find any data you feel is erroneous or have any suggestions to improve this data please bring it to the attention of the Assessment Office for consideration and correction.
